チリメンモンスターについて

Informational poster titled "チリメンモンスターについて" (About Chirimen Monsters) from the Osaka City Environmental Bureau. The poster contains numerous small photographs and diagrams illustrating the life cycle and characteristics of Chirimen Monsters (Chironomid larvae) in water bodies.

Open book or manual with colorful illustrations, likely a field guide or educational material related to the activity.

Informational poster with diagrams and text, possibly related to the Chirimen Monster activity, showing various stages or types of organisms.

Man in white shirt and cap, likely a staff member or teacher, standing near the activity tables.

Students in white uniforms leaning over tables, engaged in the activity, examining samples in trays.
